BEVERAGE LIST

BEER

TASTING PADDLE 15 (4 BEERS) GLASS IMPERIAL PINT

ALIBI BREWING CO.

370ML 570ML

SMASH PALACE LOW-CARB LAGER (4.7%)

12 14

Just like the 1981 Kiwi film classic "Smash Palace", this beer gives number 8 wire kiwi ingenuity critical acclaim. Simple, yet classic - this No frills Ultra Low Carb lager keeps you glued to your screen.

BOHEMIAN PILSNER (5.2%)

12 14

A Bohemian style Pilsner made using imported Bohemian Pilsner malt, European bottom-fermenting yeast and traditional Saaz hops. This beer is brilliant and bright with a golden straw hue and thick mousse-like head. Bold and bready rich malt with an intense floral bouquet.

JJ's RASPBERRY BERLINER WEIS (SOUR) (3.5%)

12 14

When the resident DJ and DM complains there hasn't been a sour made in ages, you tell them, "if they get on the tools and make it with you then you will make one together". This is a modern take on an old German classic. Brewed with a 50:50 base of wheat malt and barley and the kettle soured over two days. Then secondary fermented with a free-flowed spin of Raspberries. Contains lactose.

RURU HAZY PALE ALE (5.3%)

12 14

Ruru our resident wetlands owl got stuck in the berries of the Parapara Tree and after visiting some diners in the daytime got rescued and cleaned up. In the early morning of this brew day he could be heard calling from trees - back to health, Morepork, Morepork. This beer has the flavour of sticky sweet Thai mangoes, bitter orange skin oil, pineapple fruju and the resinous cedar stick it's served on.

FATA MORGANA HAZY IPA (6.5%)

14 16

On certain mornings, the horizon bends and the sea conspires to trick the eye. An Island hovers, a ship drifts twice, the world flickers between what is and what might be. A Fata Morgana they call it, a horizon stretched thin, shapes floating where they shouldn't be. This Hazy IPA brings that illusion to life, bright with stone fruit and citrus, smooth as a calm sea, and just hazy enough to blur the edges. Elusive, refreshing, and gone too soon.
